from the UKSRL team:

UKSRL AGM

Our AGM was held on 21st January together with the General Meeting. A further meeting was held on 25th February to conclude some matters. Minutes will soon be available on our website.

This year we all need to use our social media more for all of our news, post your pictures of training & events on our Facebook page

UKSRL Membership – Thanks to everyone who paid up so promptly last year and used the online system, so much easier than chasing around the beach for day tickets. Due to the reduced league calendar this year membership has also been reduced:

£80.00 full - This will include a UKSRL crew T-Shirt

£25.00 day ticket

UKSRL UK 2018 League Calendar

April 14th – ‘Not the River’ Race

2pm start time from Falmouth Watersports Centre, Boat Park Course to be confirmed on the day – approx. 8km

9th & 10th June – Welsh Open at Freshwater West League Events 1&2

14th & 15th July – English Open at Perranporth League Events 3&4

This year it was agreed by all that we should concentrate & build our crews ‘in-house’ before coming back to the full league calendar in 2019, hopefully with more crews. With this in mind we are going to train together, on all levels, UKSRL member clubs will be hosting informal interclub training throughout the season on a fortnightly basis. UKSRL will be supporting and publicising these events.”

Hopefully this will encourage new members & clubbies to get in the boat and give it a go?

Minutes of the latest meetings will soon be posted on the

UKSRL web site. [web site](#).
